Ref: CP Credentials Committee Meeting Report

Dear Bryan,

Please be advised that the Credentials Committee of the Constitution Party National Committee, under the leadership of Scott Bartlett of South Dakota as its chairman, submitted the following report at the recently convened National Committee meeting in Phoenix, Arizona:

*The Credentials Committee evaluated the information presented to it and recommended that the CPNC recognize the Constitution Party of Texas as the State Affiliate under the leadership of Brian Malatesta as State Chairman, Clell Drumheller as State Vice-Chairman and the other Executive Committee members as they existed immediately following their June 13, 2009 State Conference according to our understanding of their own state party bylaws which were in place at that time.*

This committee report was adopted without dissent on October 24, 2009 by the assembled body of the Constitution Party National Committee and therefore represents the official position of the CPNC.

If you have any questions please feel free to contact me. In the meantime I trust that all parties will work together to further the cause which unites us.

Yours for liberty

James N. Clymer
